Property Description

Charming 3 bedroom 2 full bath home with an oversized garage available now! The property has been updated with full kitchen and all appliances. All newer & updated white cabinetry, backsplash and stainless steel refrigerator, dishwasher and oven/stove.

The huge living room and kitchen offers the open floor plan concept that brings in all-natural sun light. The bathroom has been updated and upgraded with walk in shower and vanity sink. A really cool step-down to an additional bedroom or a game/play room with separate entrance to the awesome backyard fully fenced yard. The laundry room is huge and also has a separate entrance to the awesome chain-link fenced backyard. All easy access to major hwy's, shopping and schools. Call for an appointment to view this charming home.

Amenities: full kitchen, dishwasher, refrigerator, fenced backyard
