Yi Zhong Gao Shan is a quiet community and apartments here have wonderful mountain views. With a handy location you are a 10 minutes drive to the sea!

This apartment is fully furnished, with all appliances. You can move into it with nothing of your own. It can give you a real feeling of home.

I am Kaka and I have been a real estate agent in Qingdao for several years. I can provide a fast and efficient service for you while saving you money, energy and time.

By the way , let me tell you something about flat-share in Qingdao .

If you stay in Qingdao for a short time, and want to save money so much ,I can find some rooms (that means, you will share the apartment with other tenants ) for you . in Qingdao, there are two kinds of rooms : some apartments were divided into 4-5 rooms,including the living room , this kind of rooms is about 800-1000 rmb per month ,usually , people live in this kind of rooms are young and not rich , and the apartments are not clean , simple decoration . other apartments just keep the original structure , like a 2 br apartment , you live in a bedroom , and another tenant lives in the other bedroom , you two share the living room , bathroom ,and kitchen , this kind of rooms is a little more expensive , like 1000 - 1500 rmb per month , cleaner , well-decoration . Of course , if you wanna rent an entire apartment , it is more expensive , like 2000 to 2500 rmb per month .

so , that's the situation in Qingdao , tell me what you want , I will find the most suitable place for you !

This is Kaka - always at your service! I've helped out innumerable foreigners in Qingdao, so I know exactly what you need from a real estate agent – not only a good apartment, but also a wonderful post-rental service.

Moving to China can be a stressful experience- you need to sort out your visa, accommodation, cleaning, maybe getting a car, where to do the shopping etc... However, I assure you that you can call me any time and I'll always be more than willing to take care of these issues for you.
