Deposit: ¥1,500.00 CNY

Property Description

Renting a flat with Chinese roommate has many advantages !

Well , if you don't have a big family in Qingdao , and just need a room , sharing a flat with Chinese is really worth , there are several advantages :

1. Save money . Generally , the monthly rent of a good room (a good room means , you will share the flat with only one or two roommates , and the flat is fully furnished and clean) is about 1200 rmb -1600 rmb .

2. Good for you to learn Chinese and Chinese culture . Once you come to China , learning Chinese and Chinese culture is necessary , and if you share a flat with Chinese , you will have many chances to chat with your roommates , and practise your Chinese , know more and more about Chinese culture .

3. Better payment way . If you rent a flat , generally , you have to take ,at least , half year pay , I mean, you have to pay the rent every half year ,sometimes it is too much for you ,yes ? But if you rent a room , sometimes you can pay the rent every three months . That makes your life in Qingdao easier , does it ?

4. No time limit . If you rent a flat , generally , you have to sign a long-term leasing contract , even you are willing to pay more rent , the landlord won't rent you for a short-term (shorter than half a year) . But if you rent a room with Chinese roommates , you can rent it for only three months , or only one month (of course , in this case , maybe the rent will be a little higher , but it is totally acceptable) .

Anyway , if you wanna rent a room ,contact me , and I will tell you or send you some suitable rooms according to your requirements .

This is Kaka - always at your service! I've helped out innumerable foreigners in Qingdao, so I know exactly what you need from a real estate agent – not only a good apartment, but also a wonderful post-rental service.

Moving to China can be a stressful experience- you need to sort out your visa, accommodation, cleaning, maybe getting a car, where to do the shopping etc... However, I assure you that you can call me any time and I'll always be more than willing to take care of these issues for you.
