Property Description

Two ways to rent a place for foreign students from Qingdao University and Ocean University

Well, first, welcome to Qingdao, I am a real estate agent in Qingdao, and have helped so many foreign students in the university, I hope I will find a perfect place for you.

Most of the students don't like the dormitory in university, there are several reasons, for example, the price is not cheap, you have to come back on time at night and so on. Anyway, if you wanna rent a place by yourself near your university, you can contact me.

Generally, there are two ways to rent a place for you:

1st. Rent a single bedroom apartment, or rent a two or three bedroom apartment with your classmates (if you can find some classmates who wanna share an apartment with you). Take a two bedroom apartment near Qingdao University for example, there are some high-rise buildings near Qingdao University, very popular for foreigners, two bedroom apartments there are about 100 sqm, one living room, one kitchen, one bathroom, fully furnished, the price is about 3600 rmb per month. Check the photos (1-7). Also, there are one bedroom apartments here, about 70 sqm, the rent is about 3000 rmb per month. To be honest, the rent now is much higher than like one year before. Some cheaper ones, but the quality will be not good.

2st. Find a sharing apartment directly. Many students prefer this way, there are always some sharing apartments looking for roommates, but generally they are Chinese. To find a good sharing apartment, it will cost about 1500-1800 rmb. For example, a two bedroom apartment, you will live in one of the two bedrooms, the other roommate will live in the other one. This way will save you a lot rent, also, it is good for you to improve your Chinese because of your Chinese roommate, and you will get more chances to know about Chinese life -----that's why you come to Qingdao, right?

This is Kaka - always at your service! I've helped out innumerable foreigners in Qingdao, so I know exactly what you need from a real estate agent - not only a good apartment, but also a wonderful post-rental service.

Moving to China can be a stressful experience- you need to sort out your visa, accommodation, cleaning, maybe getting a car, where to do the shopping etc... However, I assure you that you can call me any time and I'll always be more than willing to take care of these issues for you.
