Property Description

Wonderful three bedroom / two bathroom house in Rogers Park on a corner lot. House is 1300 square feet with a 700 square foot - oversized two car garage and comes partially furnished. Kitchen has been upgraded with granite countertops, and house has original (squeaky) hardwood floors. All appliances were updated 2021. This house combines old Anchorage charm with a few modern updates. Plenty of room in the garage to fit two large vehicles plus a work space. Outside, the grounds have been heavily landscaped and include a sunken fire pit area, fenced yard, and patio sitting area.
