Property Description

We're looking for great people to take care of our beautiful home. Home was built in 2017, and we have been the only people to live there. In addition to the 3 bedrooms, there's also an office in the front of the home. Tile throughout the living areas, with carpet in the bedrooms. Extended patio in the backyard with just enough grass to enjoy. For our fellow dog parents, home is equipped with a dog door that will fit a medium sized dog, and respectful pups are welcomed. We're looking for people who will fit in with the chill vibe and friendly neighbors in this gated community, close to the 202, 101, and 60. Washer and dryer included, as well as a smart thermostat. Our ideal renter partner is someone who is looking for a mutually beneficial relationship, and to put down roots for a while.
