Property Description

This home has tile flooring throughout and adjustable lighting in the living room, kitchen, and dining area. The kitchen includes all appliances and a breakfast bar. All of the bedrooms have walk-in closets. The master bathroom includes dual sinks, a garden tub to relax in after a long day, and a stand alone shower. The washer and dryer are located in the hallway. The backyard is perfect for entertaining or spending time with family, splash around in the pool or relax under the covered patio that includes a fan so you can stay cool during the summer heat.
