About the property:

Newly remodeled 4 bedroom, 2.5 ba, nearly 2000 sq ft, 3-car tandem garage on a cul de sac in Stonelake neighborhood, Elk Grove. Tons of storage areas throughout house, including a separate, lighted "mini-room" for storage (or a neat kid-hangout that's fun for kids and peaceful for parents). Laundry area can handle either a gas or electrical dryer. Upgraded lighting, electrical outlets, and fan for increased air flow in garage. Wide pathway and gate on side of house for ease of moving cans and equipment. All landscaping is on automatic drip/sprinklers for lower maintenance needs.
