### Property Description

With charm defined and ultimate comfort in mind, this truly adorable, single-story home awaits you in the perfect Mill Valley location. Situated on a quaint, tree-lined street in a neighborhood where kids have lemonade stands out front and neighbors share more than just a wave with one another, the location is ideal for those wanting quick access to the charming hamlet of Mill Valley with its abundant array of gourmet restaurants, independent retailers, and cafes, as well as an easy meander to Edna Maguire Elementary school and other topnotch schools, Whole Foods, Highway 101 for an easy drive to SF, Silicon Valley, the Wine Country and the beaches, as well as the endless hiking and biking trails that make Mill Valley so desirable to those wishing to live in the Bay Area. Lovingly updated with top quality finishes and smart features, and thoughtfully upgraded to accommodate today's open floorplan lifestyle, the indoor/outdoor flow reigns supreme. Potential for adding an ADU as well.
