**3** Beds **2.5** Baths **Single Family House**

**Deposit:** \$1,000.00 USD

## Property Description

This lovely and spacious townhouse looks like a single family house ( a duet) attaching with only one other unit in a building, and there are only 6 individual buildings in this small Kentfield HOA complex which has rare big trees in common area. This 2 story, 2 car garage house is next to open guest parking. Beautiful patio at side yard behind the entry iron gate give quite and private feeling. This bright and airy 3BR, 2.5BA, 1610 SF house features with new paint, crown moldings, stone fireplace, skylights, new carpet, newer amenities, gourmet kitchen, The high walk score (74) reflects a rare opportunity to stay quiet yet enjoy the convenience of city life. Easy access to freeways 101 and 280 and to nearby shopping and high tech companies. W/D/R will be provided. Pictures shown are at courtesy of previous LA when for sale. If you are chosen, you shall be the very 1st tenant to enjoy this newly purchased property.
