Property Description

Great ranch style home in the tree lined Alphabet streets of Redwood City. As you arrive to the property you will be greeted with a beautiful tree lined street and a lush front yard. Enter the living room and find brand new wood flooring, complete with a brick fireplace with vaulted ceilings. Through the living room, enter the bright dining room which opens to the large back yard. The kitchen features new flooring, as well as a sky light, stainless steel appliances and a gas stove. The garage can be accessed conveniently right off the kitchen.

Moving off the living room to the left, the home features three (3) bedrooms with brand new wood flooring and fresh paint throughout. The well-appointed single one (1) bathroom features a tile shower and new vanity.

The home features a 1 car garage, storage shed on side yard, and massive green lawn space with your very own lemon tree. The rear yard of the home is incredibly large and is perfect for pets and entertaining.

Nestled between San Carlos and Redwood City, enjoy the benefits of both great cities. Walking distance to both downtown Redwood City, with easy access to Cal Train, 101 and many shopping options.
