### Property Description

this home is well appointed with brand new luxury vinyl plank flooring, recent interior eggshell finish paint including neutral accent walls in the master and living spaces, newer window coverings and carpet in bedrooms, along with some upgraded features normally found in very high-end real estate including a dual sided gas fireplace (between living and family rooms) with a nice wet bar area.

The neighborhood is mostly homeowners who look out for one another and embrace this home as being one of the few rentals - and being in a court surrounded by open space gives this property a nice feel.
