Property Description

This beautifully remodeled home located in the highly desired Eagle Ranch Community of Victorville, less than 1/2 mile to the 395. Prepare family feasts with ease in the generous kitchen which has been completely painted, overhauled + redesigned beautifully to include gorgeous new soft-shut cabinets with pull out shelves along with recessed lighting, new faux hardwood laminate flooring, brand new stainless steel appliances: Stove, microwave, dishwasher & faucet + sink with chic subway tile backsplash throughout, including a custom built-in liquor cabinet. This home features an awesome layout with 2 bedrooms and 1 bathroom downstairs + 3 bedrooms with 2 more bathrooms upstairs, which is perfect for hosting family during the holidays. You can continue to use the huge loft upstairs as a game room or convert it into an office/lounging area or other to fit your needs. The large, private backyard invites your imagination for new outdoor living ideas and peaceful enjoyment.
