Property Description

Secluded away in the Carlton Terrace area of Woodland Hills, nearby Pierce College, the Warner Center, and Westfield Topanga, an enchanting contemporary single-story home awaits! Surrounded by fragrant trees, delicate shrubbery, and lively succulents, an angular walkway leads to a vibrant double door entrance. Be greeted by a foyer that opens into this 1,481-sqft home featuring vaulted ceilings, illuminating track lighting all through, beautiful hardwood floors, and absolutely no shortage of storage. A great hall concept adjoins the superb living room, complete with a tiled fireplace, and dining room to create a seamless flow for entertaining. Pristine porcelain tile flooring lines the airy kitchen offering a casual dining area, well-crafted white cabinetry with chrome hardware and soft close doors plus drawers, glossy black granite countertops offset by a matching tile backsplash, and built-in appliances to whip up tasty eats. Down the main hall, find wonderfully spacious bedrooms fitted with generous closet space while the largest enjoys a walk-in closet plus a private en-suite bathroom. The home includes direct access to the attached 2-car garage with a convenient laundry area ideal for a stackable washer/dryer unit. A little slice of serenity that has everything needed to make a perfect home!
