## Property Description

Our furnished apartment homes are beautifully appointed and spacious, some even with attached garages. Located in Arvada -- a community that values health and fitness, outdoor recreation and fun for the whole family (including Fido!) -- Premium finishes and elegant design are just the beginning. Thoughtfully designed floor plans, space for kids and pets, garages and modern yet comfortable finishes make Arvada Station's open and customizable apartments feel like single-family homes.

Perfect for people on the go, conveniently located across the street from a SuperTarget (where you can get everything you need, including groceries), Starbucks, a gym, various casual dining restaurants and a highly anticipated G Line light rail station. Plus, less than a mile from the I-70, making weekday commuting a breeze.

Spend your Saturdays savoring a nearby breakfast hotspot and then checking out the local breweries or shopping and dining in nearby Olde Town Arvada. When you return home from a day of work or leisure, enjoy lush grounds, relaxing infinity pool and playful pet park. Arvada Station is modern living at its finest.

Located between Denver and Boulder, Arvada is a vibrant community with a family-friendly atmosphere, ample outdoor recreation, and plenty of local shopping and dining. Plus, with the forthcoming RTD G Line light rail, Arvada will soon be an easy ride from all of the excitement of downtown Denver.
