Property Description

You will love the floor plan in this home. Main level office and family room with gas fireplace, plus living room and dining. Great kitchen layout. Off the kitchen and casual dining is a sliding glass door to the awesome back yard. Backs to open space and on a culdesac, this home never feels crowded.

4 bedrooms on the upper level, including the amazing master suite complete with 5 piece master bath and walk in closet. In the basement is another huge bedroom plus a second family room with another gas fireplace. There is a full wet bar complete with a wine cooler built in. Plenty of storage.

Zoned for the coveted D20 schools with easy access to I-25. Just 5 minutes from the North Gate of the Air Force Academy and close to the newest restaurants and shopping in the Springs.
