Property Description

This is a fabulous property in the coveted Flying Horse community in the North part of Colorado Springs. This 4bd, 4ba home has upgrades galore and an amazing modern, light, and bright feel. The main level features beautiful wood flooring and tile work throughout with a modern color scheme. Main level master suite plus a second bedroom also with its own dedicated bathroom. Gas fireplace, wall of windows, ultra modern kitchen with quartz, stainless steel, gas stove and great island area.

Kitchen flows to a great room area offering casual dining and a family room accented by a beautiful gas fireplace. The sliding glass doors off the dining area lead to a large, elevated deck with plenty of views and space. Main level laundry with washer and dryer included, upgraded garage flooring with parking pads for vehicles and plenty of storage shelves. Larger garage will accommodate longer vehicles as well.

In the walkout basement there are 2 more bedrooms, each with their own dedicated full bathroom, a large family room with another gas fireplace and plenty of storage. Lots of windows and the walkout to the back patio retain the open and bright feel of the home even in the basement.

The Flying Horse community is one of the most sought after neighborhoods in the city with hiking/walking trails, parks, a golf course with a country club feel and incredible pool area. Renters have the option of joining the Flying Horse Club and having access to the facilities, including the acclaimed Flying Horse Steak House and club workout facilities that rival most health clubs (membership fees are extra and not included in the monthly rent).

Located in a culdesac and surrounded by new homes. This is a gorgeous neighborhood in a growing community with all the amenities close by and easy commutes to almost anywhere, including the military installations. Located in school district 20.
