**4 Beds   3 Baths   Single Family House**

## Property Description

Great Job Johnathan Andrew Decker on finishing another great build! As a second generation builder, you take great pride in your work and it shows. We are proud to have you on our staff! This is a 4 bedroom, 3 bath, 3-car garage Modified Michaela floor plan with many custom features. This home was built to specifications and budget requirements to fit the homeowner's needs. For more information, call or text 239-205-5075.

Notable features: Metal roof, engineered wood flooring, impact glass windows, custom cabinetry, hand selected granite tops, paver drive, built on acreage, country front porch design, and a 3 car garage.
