Cobalt Property Services is excited to offer a security deposit alternative that greatly reduces the amount of money paid out of pocket at move in. SureDeposit is a surety bond that is purchased via a non-refundable fee in lieu of a much larger security deposit. Your exact cost will depend on the strength of your rental application and the monthly rental rate, but will typically be about 25% of what a security deposit would normally be. For more information, please visit Assurant's SureDeposit site: <http://info.mysuredeposit.com/>
