POLICIES PERTAINING TO PETS/ANIMALS

Please note: PetScreening registration is a required part of the application process for ALL applicants.

To help ensure ALL of our residents understand our pet and animal-related policies, we use a third-party screening service and require EVERYONE to complete a profile. This process ensures we have formalized pet and animal-related policy acknowledgments and more accurate records to create greater mutual accountability. If you need accommodation in another way, please contact your housing provider.

PetScreening charges a nominal fee for the creation of a Pet Profile for a household pet. This is a separate charge from the rental application fee. There is no (\$0) charge for an assistance animal accommodation request and no (\$0) charge for the profile created for tenants without a pet/animal.
