Property Description

Experience all New Orleans has to offer in the up and coming Mid-City neighborhood. Tucked away just far enough from the hustle and bustle of the CBD and French Quarter, you get to experience living in a quiet neighborhood where neighbors look out for one another. You'll have immediate access to the highway, the French Quarter trolley is only a couple blocks walking distance, wine bars, restaurants, local pubs and the Lafitte Greenway all in walking distance. Step into your new home as the pristine original hardwood floors, classic wooden staircase, and clawfoot tub give the place a vintage feel. Original French doors still intact, and a walk-in master closet to top it all off!

The neighborhood is very diverse, from Lebanese, to Spanish, to Irish, you truly feel the melting pot of New Orleans. Banks street lends to a quiet neighborhood where everyone takes care of each others property, thankfully our block hasn't added to the crime rates. Canal street is two blocks away, catch Enymion for Mardi Gras, or hop on a street car and take it all the way down to the French Quarter. Finn McCools, Mona's Lebanese Cafe, Bayou wine garden are all in walking distance. City park is only two miles away. You can bike over to the Lafitte greenway. Come see what makes this home so special!
