## Property Description

Offering a generous living space of 1,640 square feet nestled on a large lot, this residence provides ample room for comfort and relaxation. Step inside to find fresh paint and new carpeting throughout the home that gives it a clean and updated feel. The layout includes three spacious bedrooms and 1.5 bathrooms, all designed with convenience in mind. The heart of the home features a large open-concept area that seamlessly combines the dining area and family room. This versatile space is ideal for both entertaining guests or enjoying quiet evenings in. Another notable feature of this property is its updated furnace system which ensures efficient heating during those colder months. Outside, you'll find plenty of off-street parking along with a sizable yard offering endless opportunities for outdoor activities.
