Property Description

Welcome to Pearl Street in Stoughton, this first floor apartment home is currently undergoing renovations. It will have beautiful refinished hardwood floors, it has new countertops, new cabinets underneath, new durable and attractive vinyl flooring, brand new bathroom with a new tub, new vanity, beautifully tiled and much more! Two spacious bedrooms with an additional room that can be used as an office or guest room. Private washer dryer hook up for a stackable, dishwasher and ample storage. In the basement is a private storage room. Great for bikes, skis, outdoor equipment, anything you want it's, dedicated space for this particular unit. Another great thing about this apartment home is, it is the first floor of a two family home and it has a beautiful spacious yard.
