Zillow and Trulia users, must include phone number so we can contact you!

This large Eastpointe home includes many features such as a nice enclosed porch in the front of the house, a two car garage, and a partially finished basement!

The basement includes a full wash area and one of the two bathrooms with a stand up shower.

The main floor provides a large kitchen with a walk in pantry and lots of cabinet space!

Walking in from the front porch, you will find a very spacious living room. Plenty of room for a family and dining space.

Off the living area, a small hallway leads to the main floor bathroom with a full bath.

On either side of the bathroom, the first and second bedrooms are found. One features a large walk in closet.

Upstairs there is another family space or lounge area in front of the third and fourth bedrooms. One features a large window and two spacious closets, the other a little smaller with a decent sized closet.
