Property Description

Available now. Another new listing brought to you by The Feland Team and Renters Warehouse. This spacious home is a 3-floor split level. Both the front door and the 2-car garage open to a nice eat-in kitchen with a large bay window lots of cabinet and counter space, stainless appliances and skylights. Adjacent to the kitchen is a large dining area with glass door access to a large deck. The upper level has a large living area and down the hall there is a huge master with a walk-in closet, vanity area and then a walk-through main bathroom complete with separate shower and tub . A second bedroom completes this floor. The lower level has daylight windows and includes a family room, the third bedroom, a 3/4 bath and laundry area with storage space.
