Property Description

This newly built 1400 sq ft ranch style home has a touch of modern flare design. Huge interior living space and open flowing floorplan. From the hardwood floors in living, kitchen, dining, to the stainless steel appliances to the selection of cabinets this home offers contemporary feel. Conveniently located on a large corner lot, with EXTRA large 2 car rear facing garage. All 3 bedrooms have plush carpet, ample closet space. Washer and dryer also provided so ready for you to move right in. Special touches with the 2" wood blinds, updated light fixtures and much more.
