Property Description

Nicely updated, and featuring new flooring throughout. The downstairs features an updated kitchen, large living room, family room, laundry and powder rooms. The Bedrooms, located on the second floor, are spacious and feature plenty of closet space. The master bedroom closet is AMAZING with custom built ins. This home is conveniently located close to all major roadways, is less than a 30 minutes drive to Philadelphia, close to shopping, and restaurants and within a highly rated school system.
