Property Description

This is a stunning FULLY RENOVATED split-level house with a modern look and curb appeal! This three-level house has new vinyl flooring, freshly painted interior and exterior, LED recessed lighting, and new windows throughout!

On the main level, you have a large living room with a bay window for plenty of natural light, an open-floor concept with the fully remodeled eat-in Kitchen featuring brand-new energy-efficient stainless steel, state-of-the-art smart appliances, new cabinets, slider door access to the backyard, and quartz countertop, and an island providing an additional clear surface for multitasking! The house has a central air system with a smart thermostat.

On the top level, you have two (2) bedrooms with ceiling fans. The enormous master suite has a huge walk-in closet. You also have two (2) fully remodeled bathrooms with a standing shower and a tub with new tile work and an updated modern look & feel.

The lower level has the third enormous bedroom with access from the driveway and a great stone fireplace for those cozy nights. This room can double as the in-law's suite, family room, recreational room, home office, in-home theater, gym, etc.! There's also a brand-new smart washer and gas dryer tower on this level with access to the backyard.

The enormous backyard is fully fenced-in and has a concrete patio that offers great outdoor living space. The front yard also has a patio to soak up the sun. The shed provides additional storage space. There's a driveway for off-street parking. Convenient location to tons of shopping centers and major highways and it is right next to the Green Acres Park. Minutes to Philly and Shore Points.
