Property Description

This beautiful newly renovated in 2022 semi-detached colonial home will win your heart! Situated on over 2800 sqft lot with a private driveway, 4 entry points, and large backyard, the 3 bedroom, 1 bath new gem is bathed in natural light with warm welcoming custom modern finishes. Interiors are finely appointed and built to entertain, enriched by gorgeous floors and tasteful base moldings. Relax and host guests in the living room that adjoins a generous formal dining room for sharing sit-down meals together, also brightened by oversized windows. The updated kitchen, which has a private entrance to bring groceries in through, is well appointed for the chef with wood cabinetry, granite countertops, decorative tile backsplash and stainless steel appliances, plus a family room for enjoying morning coffee and casual fare. There's a large bonus basement that is fully finished with side separate entrance perfect for an entertainment game room. You'll really love the large fenced in cement patio area for barbecues, al fresco dining, summer parties, and lounging with a good book. Plus you'll have easy access to public transportation, M Train, buses: Bx 16, Bx30, and major highway!
