Property Description

Wonderful three bedroom two bath home in Beulaville. Ideal for those that prefer a country setting outside the hustle and bustle of city life with a leisurely drive to area bases, beaches, shopping and restaurants and just right down the road from the infamous Mikes Farm! Neutral tones throughout the main living areas make it easy to move right in without your furniture and personal belongings clashing with the home. The vaulted ceilings in the main living areas give the rooms an open spacious feel. The dining area is open to the kitchen making it convenient to entertain while prepping meals. The master bedroom features a lovely tray ceiling with ample closet space. The master bath comes with a dual vanity so there is no fighting for sink and mirror space! The attached one car garage is perfect for unloading children or groceries on those rainy NC days and can be utilized as extra storage space if need be. There is a patio area off the back of the home that is great for setting up the grill and maybe an outdoor furniture set as well. Nonsmokers preferred/no smoking in the home. Pets are allowed but dogs must be under 50 pounds. The alarm system will be inactive but available for tenants to activate in their name at their expense. This home is quite the catch so make an appointment to see it in person today!
