3 Beds 2 Baths Single Family House

Property Description

Lovely 3 bedroom 2 bath home with a bonus room that is perfect for an office or playroom! The neutral tones in the living areas make it easy to coordinate your personal belongings to. The double width attached garage is perfect for unloading kids or groceries on those rainy days or for extra storage space if needed. You can soak away the troubles of the day in the garden tub in the master bathroom and curl up next to the fire place on those cold winter days. You must see this house.
