3 Beds 1 Baths Single Family House

Property Description

This wonderful three bedroom one bath house is located in the country but only minutes away from the area bases, beaches, shopping and restaurants. The house has been updated with laminate flooring and a converted garage that makes for a wonderful office or playroom and also contains the washer and dryer hook ups as well. There is a shed available for tenant use. The back yard is fenced with chain link fencing making playtime with the kiddos and/or pets more safe and secure. Between the deck and the yard you have ample space to host barbeques with family and friends. This house is great for those who loving that country feel but still have the conveniences of city life near by so make an appointment to see it in person today!
