Property Description

Charming two bedroom one and a half bath town home in Carolina Forest. Just minutes to area bases, beaches, shopping and restaurants. Neutral tones throughout make it easy to move right in without your personal belongings clashing with the home. The eat in kitchen makes setting the table and clean up a cinch! The full bath features dual vanities. The screen in porch/patio off the back of the home is great for sitting out on and enjoying coffee with company.

All pets must be approved by the owner. This home is a catch so make an appointment to see it in person!
