Property Description

This gorgeous 3 Bedroom 2.5 Bathroom home is just a short drive to base, beaches, restaurants, and area shopping. The home features a fireplace in the den that is great for cuddling up in front of on those chilly nights. There is a whirlpool tub in the master bedroom that makes for a relaxing evening after a long stressful day. The master bedroom also had a large walk in closet with ample space for any wardrobe. The back yard has a spacious deck and fenced back yard that is perfect for entertaining friends and family and safe play for the kiddos and/or pets. Come check this home out today as it won't last long!!!

All pets must be owner approved!
