3 Beds 2 Baths Single Family House

Property Description

Well maintained home that has a great floor plan with three bedrooms and two full baths set in the rear of the subdivision. Convenient to Camp Lejeune, MCAS New River, beaches, schools, shopping and restaurants. Neutral tones throughout the majority of the home make it easy to move right in. The dining area is just off the kitchen making setting the table and clean up a cinch. The screened porch off the back of the home allows you to sit out and enjoy nature without dealing with the bugs! Nice fenced in back yard that is perfect for hosting cookouts with friends and family. The fireplace is inoperable and for decoration only. Owner will permit a maximum of 2 dogs. Come check out this home, you won't be disappointed.
