3 Beds 2 Baths Single Family House

Property Description

Delightful three bedroom two bath in a serene country setting! Located in Richlands this home is just a short drive to area bases, beaches, shopping and restaurants. Fun colors throughout make the home warm and welcoming. The cathedral ceiling that encompasses the living room and dining area make the main living area feel HUGE! The kitchen is open to the dining area but separated by a breakfast bar that is perfect to use for those quick informal meals. The master bath features dual vanities and ample counter and cupboard space for all your toiletries. The laundry room separates the house from the garage making it a perfect mudroom as well to avoid tracking in dirt and mud through the front door into the living room. The attached two car garage is perfect for unloading children or groceries on those rainy NC days and can be utilized as extra storage space if need be. There is a deck off the back of the home that can hold a nice outdoor furniture set along with a grill. The LARGE back yard is fenced in with a wood fence (not a privacy fence) and is perfect for play with the kiddos and/or pets and is the perfect place to host summer cookouts with friends and family! This home is ideal for those who prefer the country feel with the conveniences of city life just a short drive away! This home is also on the sales market so move in, fall in love and make an offer to purchase!
