### Property Description

This area is probably the fastest growing suburb of the entire RTP area. With all the charm of a small rural town while still offering a huge city just minutes away, it's easy to see why. Ride through on a Friday afternoon and see the ball fields of the area's many parks filled with residents enjoying their hidden gem. This area boasts great shopping in it's own right, but is of course only minutes to 540 and 440 which offers almost instant access to anything you could possibly need. Wide highways, greenways, several parks, rivers, and an unbelievable community are only a few of the benefits to living here. Stay where everyone knows your name but the job market is still spectacular!
