Property Description

A great deal on this well kept historic home. Historical woodwork, fireplace and layout give this home its own personal charm. Depending on your needs the home can be configured as a large 2 bedroom with a living room and family room or a smaller 3 bedroom with only a family room. There is a single bath with a bathtub. Enjoy the large eat-in kitchen with many new cabinets, a pantry/utility room just off the kitchen and a full basement for storage or a workshop. On great summer nights enjoy a bar-b-que on the backyard deck. All windows were recently replaced with vinyl double hung windows and there is a programmable thermostat to help you save on energy. Most rooms have ceiling fans and the roof is only a few years old. The brick exterior makes this a low maintenance home. Other features: Ice maker hook-up, security lighting, fenced back yard, front porch and washer dryer hook-ups. We also do have a number of other homes available. They are listed on our website www.Heritag
