Property Description

Rare updated 3 bedroom, 1.5 bath twin home on desirable upper avenues of Conshohocken within walking distance of countless parks, restaurants and train station. The home has been updated with central air, coffered ceilings, judges paneling and an updated full bathroom. The kitchen comes equipped with stainless steel appliances including newer refrigerator and dishwasher. Laundry was conveniently reinstalled on the first floor from the basement. The floorplan offers an open living room/dining room with hardwood floors throughout. The basement has been finished with a granite tile desk area and bar along with built in entertainment center and half bathroom. Backyard includes a shed and partially fenced in yard. New windows were installed along with the HVAC system and insulation dramatically lowering electric bills
