### Property Description

Welcome home to this charming little rancher centrally located in the Valley Forge Homes neighborhood of Upper Merion Township. This lovely home is conveniently located within walking distance to the King of Prussia mall and the Town Center with Wegmans. Enjoy the low Upper Merion taxes and easy accessibility to the Pa Turnpike, Rt. 202, 422 and 76! Walk into the living room with a large picture window. Ahead to the left are three bedrooms and a bath, and to the right the kitchen. Off of the other end of the kitchen is another room that most recently served as a laundry and storage area, and would also make a great work space as it gets a lot of light...you're only limited by your imagination! In the rear is a spacious yard with a storage shed. The house backs up to an empty field which gives you lots of extra privacy. The house also has central air and gas heat! A little sweat equity can make this adorable home really something. You can still get an affordable home in King of Prussia, and this is it! Act quickly and make it your own!
