### Property Description

Fully renovated home in Grays Ferry is move-in ready! The charming front porch leads you into an open living and dining area atop new hardwood floors. The fully equipped contemporary kitchen with stone countertops and stainless steel appliances. Off the kitchen is a peaceful patio, perfect for outdoor entertaining. The second level features 2 large bedrooms with plenty of natural light and ample closet space. There is also a fully tiled modern bathroom on this level. Additional features include a newly replaced central air system, large basement for extra storage, and a new washer & dryer. This lovely home is a unique opportunity to live in Philadelphia's next hot neighborhood. Enjoy the quiet of Grays Ferry with the perk of being just minutes away from Center City.
