Property Description

Need a new location for your home business or office? You just found it! One of the busiest streets in Georgetown. Rare, renovated commercial space on Williams Drive. Quick accessibility to I-35 so that you can spend more time meeting clients and closing deals and spend less time on the road fighting traffic. Great visibility and easy for your clients to find your location. Call for details. Available 3/1/21. Month to month lease will be considered.

Date Available: Immediately
