Property Description

This is an exceptionally large 2 bedroom 1 bath on the second floor. Located walking distance to Tech and close to Broadway and campus activities, this is a place to be. There's a large living room, storage throughout, huge bedrooms with lots of natural light. Each bedroom comes with walk in closets, and their own sinks so that you don't have to share the bathroom to get ready in the mornings. Newly tiled bathroom surround with lots of storage in the bathroom to store your linens. The kitchen comes with a stove and a new fridge. There is a utility closet that is separate for your washer and dryer.

Restrictions

Pets are allowed.
