Property Description

Prime location in Alamo Heights right off Broadway! Super charming all brick one story 3 bed, 2 bath home w/great yard and trees. This bungalow has tons of character throughout, showcasing hardwood floors and traditional bungalow style floor plan. Enjoy gathering in the front living space overlooking the front yard through the large picture windows. Living space has a large fireplace with mantle and original built in bookcases to showcase your favorite things. Separate dining room for spending dinner time together, opening into the living and kitchen. Kitchen offers gas cooking, stainless appliances and has granite counter tops. Eat in area includes original built in storage w/glass fronts. Master bedroom is situated in back of home overlooking the private back yard with 2 car garage. Master bath is very simple with one vanity and shower stall. Secondary bedrooms are down the hall and share a full bath with shower/tub combo. Quaint back yard has lots of shade from the mature trees off the covered back patio and brick patio area, great for enjoying a cookout or swinging from a tree. The detached two car garage could easily be used as a workshop. This home is located approx. 6 blocks from the Olmos Basin where you will find a ball park, trails and city pool. Walk-ability to shopping, restaurants and more! Prime location, all brick one story, very charming with granite counters in the kitchen, many updates...a great starter home or new
