Property Description

With a functional layout and sleek upgrades, the Frio by LGI Living is now available at the incredible community of Preserve at Medina. The Frio boasts three bedrooms, two bathrooms, and a two-car garage, along with exceptional curb appeal and style.

A formal dining room, adjacent to the kitchen, creates a space where friends and family alike can gather together to share memories and laughs over a nice dinner. The connected kitchen is filled with designer upgrades like Whirlpool® stainless steel appliances, granite countertops, espresso cabinetry, and wood-style flooring.

An open-concept layout offers space for you and your family to spread out without anyone being left out! The kitchen peninsula overlooks the family room, allowing you to engage in conversation as you cook dinner or to grab your favorite snack while watching a movie without having to hit pause.

Located in the family-friendly community of Preserve at Medina, the Frio offers you the home of your dreams in the perfect community for you and your family. A breath-taking entrance monument welcomes you home and will be an instant talking point for your family and friends as they come to visit you. Within the community, residents enjoy the children's playground, picnic area with tables, a gazebo, and a splash pad.
