Property Description

Designed with you and your family in mind, the Medina by LGI Living is now available at Preserve at Medina. This phenomenal one-story home boasts space, functionality, and designer upgrades that are sure to give you everything you've been dreaming of. The Medina features four bedrooms, including an exceptional master suite, two bathrooms, and spacious living areas.

Walking through the front door, you are immediately greeted with the spacious family room, perfect for game nights, watch parties, lounging around, and other activities that bring family and friends together. Connected to the family room is a large dining area and the chef-ready kitchen, equipped for the most (and least) experienced of chefs. Stainless appliances, granite countertops, espresso cabinetry, recessed lighting, and an undermount sink are only a few highlights of the Medina kitchen that you are sure to fall in love with!

Nothing spells peace and relaxation better than the spacious master suite, sure to be your favorite place in the house. The bedroom is large enough to fit all of your king-size furniture and gives you room to create your own sweet escape. Attached to the bedroom is the master bath with a dual shower and bathtub and an impressive walk-in closet.

As if the Medina isn't dreamy enough, it is located in the incredible community of Preserve at Medina that has everything you and your family need to create the memories of a lifetime! The community features a children's playground, splash pad, a picnic area, and walking trails, all right at your fingertips. Just outside of the community you will find loads of area attractions, entertainment, shopping, dining, and more!
