Property Description

Culdesac lot with neighbors only on 1 side. Magnificent entry formal dining separating 2 bedrooms and 1 bath on the left and an oversized study with wood floors on the right. Some have used this room as additional family room due to its size! Kitchen has large island and is open to the family room and breakfast room. There is a wall of windows along the back wall and a door to the back yard from breakfast room. Gas fireplace is a beautiful accent to the family room.
