Property Description

This 1288 SF home is on Hwy 377, within walking distance to the famous Clark's BBQ. It is set back far enough and has enough mature trees to give it a country feel. This beautifully remodeled 3/1 is fully electric, with central heat and air. The large back yard is fenced in with a 3' high chain link fence. In the north side yard there is a shed with power. No garage, but the back area has a carport that can accommodate one vehicle.
