Property Description

This 3-bedroom, 2.5 bath house is near it all - walk to Nall's for produce, the Springfield Metro and VRE station for easy commuting, or a number of local employers. Just down the street from Ft Belvoir and a short drive (or long stroll) to Springfield Town Center, Wegman's and Kingstowne shopping area. The neighborhood is quiet and conveniently located across the street from the neighborhood pool (access included with rent!) and basketball court, with a number of neighborhood playgrounds just a few hops away. The living room/family area provides ample space for families to spread out. The master bedroom upstairs is a wonderful, light-filled retreat from the rest of house while the two front bedrooms function well for other members of the family, visitors or office space. The backyard is a small oasis, with space for a garden, grilling and relaxing. The house comes with one assigned parking spot and a hang tag for a second car in designated spots and generally, more than enough visitors parking as well. There is also some on-street parking in front of the house.
