### Property Description

This is a cute contemporary single family home located in a highly sought after area of Virginia Beach. The home is in a family friendly neighborhood and within walking distance to Thoroughgood Elementary School and a couple of city parks. It is a one story home that consists of 3 spacious bedrooms and 2 full baths. There are sliding glass doors in the master bedroom leading out onto the deck. The home includes a laundry/utility room with washer/dryer hookup and a utility sink. It has a converted garage room that can be used as an office, playroom, or storage etc. The backyard is fenced and has a large grassy area, deck, patio, and shed. There are several perennials planted throughout the yard making it feel like home. The home has vaulted ceilings in the living room, dining area, and master bedroom. Pest control and lawn care services are included. The house is in the excellent Virginia Beach school district and in the highly sought after school zones- Thoroughgood Elementary School (brand new building in 2020), Independence Middle School, and Princess Anne High School. The home is conveniently located close to beaches, Towne Center, 1 mile from Little Creek Base and other bases nearby. No jet noise.
